CAMP WEEKS

June 29–July 2: Camp Fast Forward **closed July 3*

We're starting off summer camp 2020 by living in fast forward. Get ready for the most iconic field trips of the summer! Buffalo Road Pool, Marbles Kids Museum, and trampoline parks just to name a few. If you're down to have fun and see the best field trips we have to offer, this is your week!

July 6-10: Cupcakes to Zucchini Culinary Camp

From Cupcakes to Zucchini, come with a big appetite and get ready for an exciting dive into the culinary world. We will try our hand at making delicious colorful pancakes, mini chicken pot pies and zucchini bread along with many other culinary treats. You will also use your creativity decorating your own cake. Don't be afraid to dip your dough in the water and join us for a fun week.

July 13-17: Animals, Art & More

Don't forget your Safari hat and an art pallet for a fun packed week. We're off to Aloha Zoo to feed everyone's favorite Giraffe "Stretch" and see other exotic animals such as a Bengal Tiger, Spider Monkey, and Ball Python. When HCC does an art week, it must include The Scrap Exchange, where the children can make anything they imagine by using recycled materials. Get ready for an amazing week of animals and art and more!

July 20-24: Project Scientist

Inspiring to be the next great scientist? This is the week for you! We will be exploring a variety of experiments including, chemical reactions with the Pop, Fizz, Boom Program at Imagination Station. A real scientist will teach us about extreme weather. Come learn how to make your own never melting snow when "Science Fun for Everyone" pays us a visit. This week promises to get a lot of reaction from your camper.

July 27- 31: Water Week Camp

It's *HOT HOT HOT* and the only prescription is water, water, and more water. These spectacular field trips are sure to do the trick as we travel to Fuquay Sprinkler Park, and Buffalo Road Aquatic Center. Don't worry! No Highland Summer Camp season is complete without a trip to Wet-N-Wild Emerald Pointe, our biggest field trip of the summer. Campers will be getting so soaked this week they may turn into fish.

August 3-7: Got Game?

There is no time out allowed this week as we split into teams and have a week long competition with a ton of games. Campers will compete in a wide variety of games as we head to Apex Community Ninja Warrior Park, Jaycee Park, and a trampoline park. This week we'll include many of the campers favorite HCC games. Get ready to bring your "A" game, because the winners will get to take part in a Camp Counselor pie smashing event.

August 10-14: Camp Rewind

When closing out the summer we have to maximize the fun, so we're packing all of the campers favorite trips throughout the summer in a fun packed blowout. We will be getting soaked at Fuquay Sprinkler Park, and making some incredible art with The Scrap Exchange. We will test our Ninja Warrior skills, and bounce till our hearts content at trampoline parks. Can you handle the challenge?

Our Program

At Highland Summer Camp we take pride in providing fun-filled programs for children that have **COMPLETED** grades K–5.
