

HUMC Youth Group Parent Form

Who are we and what do we do?

HUMC Youth Group meets on Sunday evenings from 5-7. We share a meal together, play group games, have small group devotions, and enjoy our time together in fellowship while having tons of fun. We are a fully welcoming group that seeks to learn about what it truly means to be a Christian and then implement it into our daily lives. While learning these skills, histories, contexts, and more, we gracefully seek to do our best to emulate Jesus. We practice service and giving of our time through various service projects. We play a lot of games from Scavenger Hunts with prizes, water balloon battles, capture the flag, dodgeball, to four square. Along with these Sunday evening events, we go on small outings, retreats, and more.

Pumpkin Patch Fundraiser

Our youth ministry's fundraiser that allows us to go and do all these things at a lot cheaper rate is our pumpkin patch. This is specifically a youth fundraiser and is ran by our youth and families. We offer "Pumpkin Credits", which is if your youth works three shifts they get \$100 worth of credit towards any of our trips. We encourage you to do more shifts for the benefit of our entire youth program. (**Hours of Operation**- M-TR: 3-7, F:1-7, Saturday: 9-7, Sunday 12-7) Scan the QR code directly below for the sign up!

Sunday Night Meals

Each Sunday we have a Sunday night meal that is provided by two parents combining to bring food for about 25 youth. We have some youth with food allergies or are vegetarian/ vegan, so these options would be needed. Chris Richards does the sign up and does a wonderful job of contacting people to fill spots. Let us make it easy on her this entire year and fill up these spots. Scan the code below for the meal sign up!

Check list- Have you...

- Signed up to bring food for a Sunday night meal- **1 per semester**
- Signed up for pumpkin shifts- **3 shifts**
- Volunteered to help with a service project- **1 per semester**
